

Meeting on X-Ray Fundamental Parameters for Reference-Free Analysis at Tsukuba, Japan

Date: September 20, 2013

Place: National Institute for Materials Science (NIMS)

<http://www.nims.go.jp/xray/lab/>

Access: 10 min walk from railway station

3 min walk from *Okura Frontier Hotel Tsukuba*

<http://www.okura-tsukuba.co.jp/eng/>

Mt. Tsukuba, March 2012

Keynote lectures: M. Mantler & B. Beckhoff

Oral presentations: 8

Kyoto Univ, Riken, AIST, Rigaku etc

Posters: 30 (6 AIST labs, 6 X-ray companies,

Kyoto Univ, NIMS etc)

Plenary discussion before closing (45 min)

- Challenges and near future solutions in reference-free industrial and scientific analytical applications
