

Antwerp, 3 January 2022

Dear Colleagues,

Happy new year !

In about 6 months' time, the European conference on X-ray spectrometry EXRS-2022, (a conference formerly known as EXRS-2021 and EXRS-2020) take place in Bruges, Belgium from Sunday 26 June to Friday 1 July 2022.
For more details, please see <https://www.uantwerpen.be/exrs>.

This conference will be organized as a physical meeting. Don't miss this opportunity to get in touch again on a firsthand basis with the European and global X-ray analysis community and with the worldwide manufacturers of X-ray analytical equipment.

[Registration](#) and [abstract submission](#) for EXRS-2022 are now open.

Those of you that have submitted abstracts for EXRS-2020 can now update them on the [EasyChair website](#); alternatively you can discard them and submit new ones. Please note that for administrative reasons, on the EasyChair website, for a while EXRS-2022 will still be referred to under its former names: EXRS-2020 and/or EXRS-2021.

Abstract submission deadline (for contributed talks and posters): **Friday 4 March 2022**.

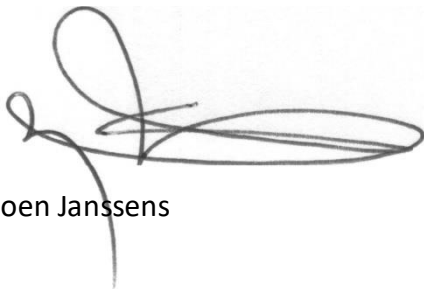

Notification to authors: 18 March 2022

Scientific programme: 8 April 2022

Early registration: 15 April 2022

Conference: Sunday 26 June - Friday 1 July 2022

On behalf of the local organizers, I wish you an interesting, successful, and enjoyable 2022 and am looking forward to meeting you in splendid Bruges, where the sky is (almost always) celestial blue and golden guardian angels smile down on you!

Koen Janssens
